@ £4.25 per event												£

9yr old are offered 50m events with the addition of 25m butterfly. Swimmers will only be acepted for one butterfly event. The budding Olympians (and next years county swimmers) will be expected to enter the 50m event but the alternative 25m event is offered for the mere mortals who would struggle over 50m. We believe it is better to do one length correctly than to struggle and be disqualified on the second.

Cheques made payable to: **Chepstow & District Swimming Club (CDSC)**
