Promoter's Conditions

Introduction

The objective of this meet is to adhere to the British Swimming philosophy of providing competition for all and to meet the mission statement "Every swimmer has the opportunity to swim in appropriate, quality competition to enable them to achieve their true potential".

This competition is held under ASA Laws and ASA Technical Rules related to the discipline of racing.

Swimming/Spectator Area

For the purpose of this meet, Team Managers will be responsible for the conduct of their swimmers. It is therefore expected that Team Managers will remain in the seating areas and/or with their swimmers at all times.

The following requirements should be brought to the attention of competitors, team staff and spectators. Swimmers and spectator areas are separated although situated in the same block. Entry to the swimmers' area is through the changing village and onto poolside. Entry to the spectators' seating area is from the first floor. **UNDER NO CIRCUMSTANCES (except when using as an evacuation route) SHOULD ENTRY TO THESE SEATING AREAS BE ACROSS THE DIVIDING TAPE.**

The Promoters of this event will adhere strictly to the Health and Safety Laws 203-206. It should be noted that no-one will be permitted into the changing village, poolside or swimming/spectator seating area until the Promoters and/or Meet Referee are satisfied that these Health and Safety Rules have been met in full.

Data Protection

All data relating to the entry and results processing will be held on computer using Sportsystems software. Results of the meet will be sent to the ASA within 5 working days for the purposes of ranking.

Swimmer entries will be managed on a computer. By submitting entries, consent is thereby given, as required by the Data Protection Act 1984, to the holding of personal information on computer. Personal data will be available for inspection during the meet upon request.

Entries

Entries will be accepted on a "first come, first served" basis. The Promoter reserves the right to reject entries if events are over subscribed. The closing date for entries is **25 May 2007**. All swimmers wishing to enter this meet must be registered with the ASA and age will be as at **24 June 2007**. All events will be swum in combined age groups seeded on entry times. Submitted entries must be in accordance with the attached upper limit schedule.

No entries will be accepted after the closing date (including replacement entries on the day). Refunds will be given to Sportsystem rejected entries only and not to invalid or incorrect entries and if you withdraw before the closing date.

THIS WILL BE A CARDLESS MEET. Clubs/swimmers will receive a printout of club/swimmer entries. Please ensure you check this for accuracy. All competitors must sign an entry form confirming the details required by ASA Law 407.2.1. For all entries, please supply an **A4 SAE** to enable us to return your acceptance/rejections and any other information as required.

Payment

For all club entries, one cheque please, made payable to **GCSC**.

Pool

The competition pool is an 8-lane deck level 25m pool with a water depth of 2m throughout. Antiturbulence lane ropes (including at the sides) will be used and turning flags will be placed at both ends of the pool.

Timing

Electronic placing and timing will be used. Speakers are situated in the blocks on all lanes (Rule FR 4.3.3). It should be noted that timing pads are only situated at the finishing end of the pool. The operation of the electronic timing will be in accordance with Rule SW 13.
